

**MALAYSIAN SELECTION
STUDENT APPLICATION FORM
Academic Years 2022 – 2024**

CLOSING DATE: 6:00 PM on SATURDAY 29th JANUARY 2022

Dear Applicant,

Thank you for your interest in the United World Colleges. Please read carefully and follow the given instructions in order for us to process your application fairly and effectively. Entry to a United World College is competitive, based on academic ability, personal qualities and a commitment to international understanding and the ideals and practice of service to others.

In light of the global COVID-19 pandemic, there are a few changes introduced to the selection cycle. If you have previously applied or are familiar with the process of previous years, please bear in mind that there are significant changes this year owing to the extraordinary circumstances.

1. **Information on allocated spots to Malaysians:** Due to a directive from the UWC International Office and departing from our practice of the past, details on the seats and scholarships allocated to the Malaysia National Committee can only be disclosed in mid/late November 2021.
2. **FORMS D1 & D2 – Confidential Financial Information:** Applications submitted by the 29th January 2022 deadline **do not** have to include Forms D1 & D2. Only candidates called in for interview will be asked to submit their financial forms.

Group interviews: 5 February 2022

Individual interviews: 12 and 13 February 2022 (each candidate will be scheduled a 30-minute interview on one of these dates). As of November 2021, the plan is to conduct all interviews online.

Candidates are short-listed and selected on merit regardless of religious, social and ethnic background. If you are a candidate with a question on accessibility for disabled students at UWC, please write to us at the email address provided below.

The application for admission consists of 3 (three) parts.

Any application queries should be directed by email to uwcmv.selection@gmail.com

Important Notes:

1. Admission to UWC is subject to rigorous financial assessment. We select the most promising candidates regardless of ability to pay, and financial assistance is allocated on need.
2. All values under 'Funding' should be read as maximum amounts which may vary according to ability to pay. The final scholarship quantum provided is decided by the respective colleges. For example, if Student A is nominated to UWC ISAK, the college, with the advice of the National Committee, may reduce the scholarship quantum if financial assessments show that the student's family has the means to contribute more to their child's fees. In this example, Student A might receive a scholarship of less than 50%. All financial aid will be allocated after fair and thorough consideration of a candidate's financial circumstances.
3. Except in extenuating circumstances, students enrolled in private or international schools in Malaysia are not eligible to receive full scholarships.
4. The fees stated in the table above do not include airfare, pocket money, Project Week expenses (UWC's version of Spring Break excursions), insurance and miscellaneous items (e.g calculators, art supplies).
